

NATIONAL SECURITY TASK FORCE

The New Democrat Coalition is made up of more than 100 forward-thinking Democrats who are committed to pro-economic growth, pro-innovation, and fiscally responsible policies. New Democrats are a solutions-oriented coalition seeking to bridge the gap between left and right by challenging outmoded partisan approaches to governing. New Democrats believe the challenges ahead are too great for Members of Congress to refuse to cooperate purely out of partisanship.

NATIONAL SECURITY TASK FORCE LEADERSHIP

Co-Chairs

Reps. Brad Schneider, Brendan Boyle, Anthony Brown, and Abigail Spanberger

NATIONAL SECURITY TASK FORCE MISSION

Ensuring the safety and security of our country and all Americans is a fundamental responsibility of Congress. The New Democrat Coalition National Security Task force will work collaboratively to identify and advance common sense, pragmatic national security and foreign policy solutions that keep our citizens and country safe, maintain peace and security throughout the globe, and promote American values and interests. We will support our Armed Forces, Intelligence Community, Diplomatic Corps, and development professionals as we work together to address new and complex challenges, while encouraging rational debate to identify the best national security strategies for our nation. We will advocate to expand diplomacy and development alongside defense to restore U.S. global leadership, strengthen partnerships with our allies, and restore rationality and direction to our national security policy.
